DONS, LOYOLA FROSH MEET FOR NON-CONFERENCE TILT

RESERVE COACH Wayne Bartholomew, who was hired this fall by the Associated Students to assist with jaysee athletics throughout the year. During football season he coaches the reserves.

Locals Wear New Playing Jerseys

For the first time in many games, football fans at the Municipal bowl tonight will not be dazzled by the uniforms of Santa Ana Dons. The Cookmen will not be arrayed in their usual red and white silk jerseys and gold pants.

When the starting whistle blows this evening, the Don eleven will be sporting new white shirts with red numbers and brown gabardine pants. These white shirts are used only when the opposing team wears the same colors as Cook's charges, but rainy weather and the prospects of a soggy field has caused Trainer Elmer Bergeson to bring out the new uniforms.

The game will be the second time the new outfits have been worn. They were purchased by the jaysee athletic department this fall to replace the old exchanges worn by the Dons in the few games previous that the traditional scarlet jerseys were discarded.

Santa Ana Dons vs. Loyola Frosh

Here are the probable starting lineups and rosters for tonight's non-conference encounter between the Santa Ana Dons and the Loyola Frosh.

NO.	SANTA ANA	POSITION	LOYOLA FROSH	NO.

J. C. Band Parades Tonight

Half Time Stunts Planned By Unit

Jaysee's gaily attired Don band will make its first appearance of the year tonight when it parades on the field in full regalia, led by the newly elected major and majorette contingent.

Drum Major LeRoy Harrison, elected this week by the band members, will lead the procession on to the field in a marching stunt during the half-time period. The stunts will also mark the first performance by jaysee's blonde majorette trio, Barbara Pollard, Betty Haynes, and Ruth Howell.

PRESENT COMIC STUNT

The exhibition for the evening will include a comic stunt by the marching unit en masse, after which the high-stepping majorettes will present a version of La Conga in leading the marching band, according to Instructor Alan A. Revill.

The 23-piece musical unit has been rehearsing for nearly four weeks in preparation for the first exhibition of the year, and will be presented at all home games and pep rallies in the future, the faculty leader asserted.

PERFORM THURSDAY

Mr. Revill said that the only participation scheduled for games away from home is a co-operative concert planned for the Chaffey game next Thursday night when the local music adviser will lead the combined Don-Panther bands in "The Star Spangled Banner."

He indicated, however, that the local musicians will do no exhibition marching that night.

SYMBOLIC OF THEIR line positions, Ends Ev Winkler, left, and Harlan Smith display jaysee's traditional victory flag which advertises each Don gridiron triumph. Winkler, who hails from Tustin, is a polished pass catcher, and is frequently heard of when the Gulley to Winkler aerial offensive is launched. Smith began his football career in Orange Union high school, and closely rivals his teammate in starring honors. (Photo by Jack Sullivan)

Traditional Victory Flag Leads Precarious Life As Don Symbol

By GUS LUZANIA, Sports Editor

A common sight on the Santa Ana junior college campus for the past few years has been the tri-colored victory flag flying from the pole on the south lawn. After every Don football victory, Custodian Charles Milner hoists the red, black, and white gonfalon to its position beneath the stars and stripes, and from there it flies for the following week.

The banner was presented to the Associated Students by the class of '37 and soon after the idea of raising the flag following each scarlet and black grid victory, a custom that has now become college tradition, was inaugurated.

DISPLAYED ALL SEASON

With the success of the Don football machine has also come the constant use of the victory flag. Last season while the national champion eleven fought to reach the grid heights and battled through its 11 game schedule undefeated, the banner flew from the first weeks of September till the last days of November, when the football season finally terminated.

The Don symbol has not led a lonely and secluded life; on the contrary, it has had an exciting and strenuous career. Before the 1937 annual Thanksgiving day game with Fullerton, Hornet students raided the Don campus and absconded with the banner. When it was returned it was so torn and battered that remodeling was necessary.

STOLEN LAST YEAR

Filled with the excitement of the football season, Fullerton students again staged a nocturnal raid last season and stole the tri-colored flag. This time, however, it was returned to the jaysee office in good condition and none the worse for its experience.

Mr. Milner has become aware of these rival invasions that occur when the shades of night descend on the Don campus, and past experience has taught him to watch the victory symbol closely around game time.

KICK OFF AT 8 P. M.

Begin Victory Stride In Municipal Bowl

Continuation of a new winning streak is expected tonight when the Santa Ana eleven collides with the invading Loyola Frosh squad at 8 p.m. in a non-conference tilt.

Having had their previous victory string disrupted by the Pasadena Bulldogs in a 20-7 contest, the Cookmen will attempt to ex-

BULLETIN

Because of conflict between Hallowe'en and the Chaffey game date conference officials today announced an agreement to move the contest one day ahead on the calendar, scheduling the Don-Panther tussle for next Thursday night instead of Friday. The conference game will be played on the Chaffey field.

tend their present two game winning streak to three.

The week following the Rose bowl debacle, the Dons hit their stride against the Sacramento Athletic club staging a touchdown circus and winning by a score of 53-0.

WIN OPENER

Last week Santa Ana won its conference opener at the expense of the San Bernardino Indians. Displaying good blocking, tackling, and team coordination, the scarlet and black downed the Indians 26-7. After a scoreless first half, fullback "Pruney" Parsons demoralized the San Berdoo defense by scoring three touchdowns in seven minutes.

Little is known of the Loyola Frosh except that they lost to a strong Riverside jaysee team by the close score of 8-6. However, this was an early season game and gave little bearing on the strength of the respective squads. The locals showed an improved pass defense before the aerial thrusts of the San Berdoo Indians and their only weakness seemed to be their blocking. Tonight's tussle will be the first Don home game in four weeks.

Conference Tilts Draw Spotlight

Holding the Eastern conference grid spotlight tonight will be the Chaffey-San Bernardino and Riverside-Pomona games. These are the only conference tussles scheduled for tonight. Both Santa Ana and Fullerton encounter non-conference foes. Records of the teams follow:

Previous Scores

Having met and defeated the Loyola frosh squad twice, the Dons will tonight attempt to make it three straight. Last year's national champion eleven won 13-0, while in 1931 the Cookmen edged out the Cubs 12-6.

Before beginning their rivalry with the Frosh, the Dons played the Loyola varsity two times. The red and black came out on the short end of the score both times, 33-0 in 1926 and 21-3 in 1925.

Previous Santa Ana-Loyola Frosh and Varsity scores:
1925—Santa Ana 0, Varsity 33
1926—Santa Ana 3, Varsity 21
1931—Santa Ana 12, Frosh 6
1940—Santa Ana 13, Frosh 0

Frosh Beanie Shot Appears In Digest

Jaysee received nationwide publicity today with the circulation of Collegiate Digest, syndicated weekly rotogravure supplement. The issue circulated on the campus this morning contains a campus shot submitted by Jack Sullivan, sophomore photographer.

Taken at the first of the current semester, when beanies were distributed, the picture shows freshman co-eds Lowell Branson, Mildred Day, Barbara Carter, Marlys Park, Helen Finley, Evelyn Anderson, and Ethel Hendricks posed with Hugh Brooks, who is also a freshman.

Mary's Idea!

"Dad, I'm tired of writing all my school papers in longhand. This year I want a portable like our Class President's. That's how the frill gets things done, finds time to run the show, star in dramatics, and still get A's and B's."

P. S.—Dad bought her a Speedline Corona with Floating Shift . . . on easy terms!

Dons Boast 131-33 Scoring Lead In Five Games

Surpass Record Made In 1940

By MASON TETER
In spite of the fact that jaysee's national title defenders suffered a defeat that broke a 14-game winning streak and admittedly made a poor showing in opening games this year, a tally today of total points made for the season revealed that the local squad has garnered 131 points to opponent's 33.

The totals this year exceed last year's record of a 104 to 6 for five games. The following summary gives a picture of the Dons swinging into their victory stride. **DONS, 20; La VERNE, 0**

Poor tackling and blocking in their opening game with La Verne college labeled the Dons as inferior to the national champions of last year. The red and black could have easily doubled the score had they not missed their blocking assignments. Final score, **Santa Ana 20, La Verne, 0.**

DONS, 25; SANTA MONICA, 6
Showing some improvement in their second encounter of the season, the Scarleteers beat Santa Monica, 25-6. Don gridders were still handling the ball poorly, however, and blocking was ragged. **DONS, 7; PASADENA, 20**

The 20-7 beating handed Coach Cook's charges by Pasadena in the Rose bowl evidently taught the locals quite a bit about football. It was in this game that the shortcomings of the Don team were glaringly apparent. Poor teamwork was partially responsible for the loss, but it was evident that the Dons just weren't as good as the Bulldogs. **DONS, 53; S.A.C., 0**

In handing the Sacramento Athletic club a 53-0 beating at Santa Rosa after the game with the latter had been called off, the Santa Anans showed a vastly improved offense and defense. Some pressure had been taken off the Dons the week before when Pasadena snapped their winning streak at 14. **DONS, 26; SAN BERDOO, 7**

Unleashing a blitzkrieg offensive in the third quarter, the Dons showed glimpses of last year's powerhouse in whipping San Bernardino 26-7.

Five Conference Championships Won By Donmen Under Cook

Fourteen years of coaching the scarlet and black grid machine at Santa Ana junior college has made the short, stocky figure of Don mentor Bill Cook a familiar sight to the thousands of fans who have followed the fortunes of the local elevens through five conference and three Southern California championships, and one national jaysee title.

DON MENTOR Bill Cook, who is in his fifteenth season with Santa Ana junior college, will be watching for championship material tonight.

Coming from USC in 1927 to Santa Ana where he took over the coaching reins, Cook has built better than average teams year in and year out, no matter what kind of material he has to work with. Cook has managed during these years to keep his team in the first division most of the time in a conference which is rated as one of the toughest in junior college circles in the nation.

He last season fielded the best team in jaysee history when his charges piled up 11 straight wins unmarred by defeat or tie to capture top honors in the nation.

Earle Parsons Tops Grid Scoring Race

Paced by his three touchdowns at San Bernardino last Friday night, "Pruney" Parsons is leading the Don touchdown parade with 36 points to his credit, according to the latest tally of individual scoring.

"Pruney" holds the honor in spite of the disadvantage of not being in at the slaughtering of the Sacramento Athletic club 53-0, for the star fullback was unable to make the northern trip.

Here is the individual scoring race:

Parsons, B, 36; Margucci, B, 22; Green, B, 18; Page, B, 18; Gulley, B, 15; Fletcher, L, 6; Winkler, L, 6; Robinson, B, 6; Eggers, B, 2; Rogge, B, 1; Cleary, L, 1.

Dons; Hornets Lead Eastern Grid Foes

Santa Ana Dons and Fullerton Hornets lead the Eastern conference grid race today by virtue of their victories over San Bernardino and Pomona respectively last Friday night. The Dons have taken the scoring lead by mustering 26 points in the one conference encounter, with Fullerton close behind with 20 points. Riverside and Chaffey fought to a 7-7 tie.

In tonight's encounters on the grid fields, beside the non-conference game of the Dons in the bowl, Fullerton and Oceanside meet in another nonconference tilt, Riverside travels to Pomona, and Chaffey ventures over to San Bernardino.

The league standing to date:

	W.	L.	T.	Pct.
Santa Ana	1	0	0	1.000
Fullerton	1	0	0	1.000
*Riverside	0	0	1	.500
*Chaffey	0	0	1	.500
San Bernardino	0	1	0	.000
Pomona	0	1	0	.000

*Tie games count half win.

Semantics Speech Features Meet

Introduction of general semantics, a new type of life science, the junior college instructors will feature the life science section of the Southern California Junior college association meeting at Pasadena tomorrow, according to an announcement today by Frederick H. Schroeder, chairman of the section.

Local instructors attending the meeting will hear Dr. H. E. Scarborough, consulting psychologist in Los Angeles, speak on the topic of "General Semantics: A Neuro-semantic Approach to Education." J. Russell Bruff, head of jaysee's science department, will introduce the speaker.

The comparatively new field of psychological study deals with human evaluations and orientations, and, according to its advocates, proper application of the study will lessen nervous strain and contribute to a greater degree of sanity in thought and action, the chairman said.

Local instructors participating in other sections of the meeting include Dean of Women Agness Todd Miller, chairman of the English, speech arts, and journalism

division; and John H. McCoy, head of the journalism department, who will speak at the meeting.

Hannaford, Gulley Win Presidential Election

Cook Nominated In Primary Vote

Tabulation today of final balloting in this week's class elections, placed Homer Hannaford and Bill Gulley as presidents of the sophomore and freshman classes respectively.

DeLacy Cook, first write-in candidate in jaycee history to win a student election, is the sophomore vice-president. His initial petition was refused because of failure to meet the deadline.

Winning a majority of votes in the primaries, Bob Brigante was elected freshman vice-president. Leona Redding, as the only candidate for the position, became secretary of the freshman class.

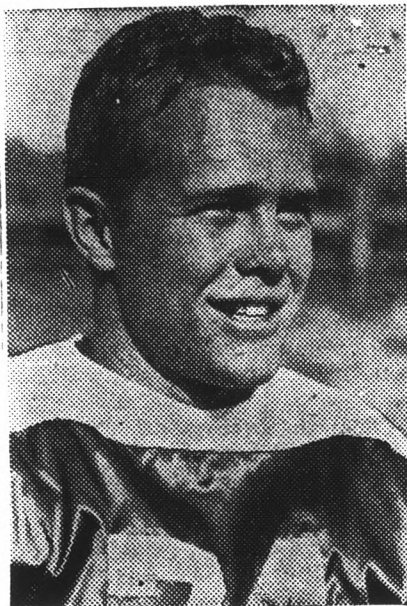

The total number of ballots cast in the primary election was 220, and the final balloting showed 190 votes.

Weekly Broadcast Features Music

Outlining plans for the third weekly broadcast by jaycee's new radio workshop class, Adviser Ernest Crozier Phillips today announced that music will be the main feature of the program.

Mrs. Kramer J. Rohlfleisch, music instructor, will speak on "The Part Music Plays in Everyday Life," during the first of the half-hour program, and two solos will complete the program, which begins at 6 p.m.

Campus news, a question quiz, and the recording of the week as chosen by the Associated Students are presented weekly.

FULLBACK PRUNEY PARSONS
—(Cut Courtesy the Register)

Erring Frosh Face Final Reckoning

Recalcitrant freshmen were today faced with prospects of a "final reckoning," as self appointed vigilante committees compiled lists of charges to be made against members of the lower class who have violated provisions of the sophomore proclamation earlier this year. Offenders will be tried in Kangaroo court Tuesday at 11 o'clock.

Darlene Sherfey will play the part of prosecuting attorney in the vengeance court, and will plead the separate cases to chief justice Bill Was, who will pass sentence upon the culprits. Members of the jaycee executive board will serve as the jury.

Buccaneers Sell 200 Tickets For Dance

Buccaneer service club members today announced sale and distribution of more than 200 tickets for the Soph-Frosh dance, to be held in the Huntington Beach Memorial hall tomorrow night.

The semi-formal affair will begin at 9 p.m., with Will Hudspeth's orchestra furnishing the music. Corsages will not be in order, according to Chester Clark, in charge of arrangements.

Refreshments will be served during the evening.

Reporter Tells History Of Parsons As Seen In Newspaper Scrapbook

By STANLEY LOY

In the headlines since the age of 12. That is the record held by the Don's starting fullback and star of last week's tilt with San Bernardino, Earle "Prune" Parsons, whose excursions into the headlines began when he was named as fullback on the Helena, Mont. YMCA All-City B team when he was 12 years old.

His next appearance in the news came at the age of 14 when he became high point man in the junior division of the swimming team at the Helena YMCA. He also won in the state meet in the 20 and 50-yard free style swims.

HIGH SCHOOL DAYS

During his high school days, "Prune" made headlines in track, football, baseball and basketball. Parsons' turned in performances which gained him the honor of being high point man in track meets for two consecutive years.

Of his appearances in the sprints the coach of a rival team said, "Parsons comes tearing down the track like a huge war-horse. He is a most effective runner."
